

# Stepping Out

## For

## Foot Health

# Donation Form

On Sunday, November 3rd, at Intercity Shopping Centre, I'll be joining others in a powerful movement to save lives by raising awareness and funds for a cause that's close to my heart. This walk is about much more than just taking steps—it's about preventing amputations caused by diabetic foot ulcers by providing essential footwear to those who need it most.

I invite you to join me in this mission by making a pledge or donation. Every dollar raised goes directly toward purchasing footwear that can prevent severe complications and improve the quality of life for so many. Let's take these steps together for a healthier future, one step at a time.

Thank you for your support!

All donations of \$20.00 or more will receive a charitable receipt. Please print legibly.
