COMPASSIONATE CARE

JUNE 2024: Bethammi residents and staff spent a joyful afternoon painting and enjoying Robin's coffee with friends. A heartfelt thank you to the Fort William Rotary volunteers for sharing their time. It was a delightful wellness experience, brimming with creativity and cheerful smiles.

JULY 2024: Sister Leila Greco marked the Grand Opening of a beautiful new gazebo, donated by St. Joseph's Foundation. Residents, volunteers, and staff gathered to enjoy music, treats, and one another's company under the warm summer sun. This welcoming space is sure to be a cherished spot for residents and their families for years to come.

BE THEIR SECRET SANTA

In December, we raised over \$28,000 for the 10th Annual Be Their Secret Santa Campaign. Volunteers and staff packaged and delivered 550+ gifts to clients at St. Joseph's Care Group. These clients do not have any family or visitors throughout the year. We are thrilled to be able to spread joy and happiness to those who need it most.

Tbaytel generously donated **\$12,000+** in support of St. Joseph's Care Group Addictions programs. This gift boosts the REC-recovery program at Sister Margaret Smith Centre, equipping youth (16-21) in recovery with snowshoes, skis, and winter gear for outdoor activities. Thank you, Tbaytel!

HEALING TOOLS

Thank you for your generous support, which enabled us to replace essential parts for the rTMS coil equipment at the Health Centre. rTMS is a safe, gentle therapy that uses magnetic pulses to help those facing mental health challenges like depression. Your kindness brings hope and healing to many in need.

DIABETES HEALTH ROOM

The Diabetes Health team revamped their Family Room with the help from Open Mind Interior. The colours, furniture and art create an inviting space for families to enjoy while they wait for appointments. This transformation would not have been possible without our amazing donors.
