A BIG THANK YOU

To those who have continued to support to our work and invest in the community!

ST. JOSEPH'S FOUNDATION
OF THUNDER BAY

FORT WILLIAM ROTARY DONATION

Thank you Thunder Bay for your buying Rotary House Draw ticket, because you purchased a ticket many charities in Thunder Bay receive financial support, St. Joseph's Foundation included. On May 31 members joined staff from St. Joseph's Hospital for our tour of the site and to see first hand the equipment purchased through their donations since 2019. New equipment purchased included portable lifts and slings, upgrades to the ultrasound and xray equipment, wheelchairs, bariatric bed and Harmonie bathtub. This year, Fort William Rotary has donated \$100,000 toward the new Nurse Call System. Nurse Call Systems are a crucial part of client care and safety, providing a way to contact the nursing station. It's called a system because it incorporates a number of aspects: display units at Nursing Stations, dome lights giving visual indicators where a call has been activated, bathroom stations to call for help, 'code' stations to automatically call for supports (eg: a Code Blue), bedside devices where clients can have two-way conversation with staff, and more. Thank you for your continued support for the care and our clients at St. Joseph's Care Group.

PERSONAL CARE KITS

Thank you to the Thunder Bay Foresters Financial team for donating and coordinating 600 personal care kits for St. Joseph Care Group clients. Each kit contains a comb, soap, toothbrush, toothpaste, and deodorant. The Care Kits are available to clients and family members who may find themselves in our care unexpected and are unprepared for their stay. We are so grateful to Foresters Financial for their time and commitment to coordinating the kits for us.

40TH ANNIVERSARY CELEBRATION

Thank you for all who donated and attended our 40th Anniversary tea. It was a lovely afternoon and we are grateful for your support. We were thrilled that Benny Birch made an appearance and helped celebrate this milestone. Here's to another 40 years of philanthropic support to St. Joseph's Care Group.
